

Why eat breakfast at school?

- It helps ensure that students arrive to class on time.
- It promotes healthy eating habits and helps kids maintain a healthy weight.
- It enhance memory, improves cognitive ability, and increases attention span.
- Students get to choose from a variety of healthy foods.
- It is convenient for parents and students with busy schedules.
- Student eligibility is the same for breakfast as it is for lunch.

And most of all...

It gives students an opportunity to eat a healthy breakfast every school day!
