If GMS/GHS were to have an “unplanned/unscheduled” day off such as a snow day, that day will be an eLearning day/At-Home Learning day for everyone. We will continue the regular weekly schedule when we resume school so that planning for families remains as consistent as possible. More details will be provided in the event of a snow day.

Families with students that have different last names in the same household will be encouraged to send all students on the same scheduled days regardless of the alphabet. GHS students who participate in Area 30 students will attend A30 everyday regardless of the alphabet. If those students need to remain at GHS for any reason, please contact the school building administrator. Other specific situations and issues that may be building specific will be communicated by your school's principal.
